

NAVIGATORS CHURCH DISCIPLE MINISTRY (NCDM) CELEBRATING GOD'S FAITHFULNESS WITHIN 2025 AS SEASON OF GRATITUDE AND GRACE

Dear Navigators Ministry Family,

As we have reached the close of 2025, our hearts are overflowing with praise for the total commitments and engagement of the NCDM labourer's journey we have shared together. This year has been a year of life transformation; powerful testimonies to God's enduring goodness and unwavering partnership.

Highlights of God's Faithfulness in 2025

Here is a glimpse of the fruit we've seen this year:

We want to thank God for the Pastor's Retreat that took place in Yaoundé March 21st and 22nd focusing on building a disciple Church culture within our context and how to recruit other pastors into discipleship culture train.

The Navigators Church Disciple Ministry Calling :

To advance the gospel of Jesus Christ and His kingdom into the nations through spiritual generations of labourers living and discipling amongst the lost.

1) NCDM'S Vision :

Every church leader becomes a disciple maker.

2) NCDM'S Mission :

Partnering with churches through their leaders to develop generations of disciples in everyday life, where they live, work and play.

3) NCDM'S Core Values :

- Growing deeper in our walk with God through the Scriptures, prayers and the promises of God.
- Reaching the unreached and under-reached with the transforming power of the Gospel of Jesus and His Kingdom.
- Nurturing up future generations of laborers through life to life intentional ministry process.
- Partnering with pastors, church leaders and others in the Body of Christ to accomplish the Great commission.
- Establishing missioner communities and leadership teams that communicate love and trust by respecting the dignity and value of every person.

We also celebrate the launching of a discipleship team by Pastor Andrew who is one of our key NCDM labourers with four other pastors in his zone of service. He has been helping these pastors to start building an intentional discipleship church culture since April within their local churches.

We also had two days Discipleship training in Nwa Baptist church from the 30th to the 1st of July led by Pastor Godlove. We are trusting God that through this partnership with the church all the other churches around will see the need for discipleship.

We thank God for the mission and Discipleship conference in Berea Baptist Church that took place in June for four days under the leadership of Brother Macdonald.

Much reason to thank God for the pastors and NCDM Leadership Seminar that took place with the theme: 'Pruning for lasting results in view of ministry legacy' in the month of August.

The phase two of the pastors Retreat in August

Church Discipleship is one of the key means of making and maturing labourers of Christ for the accomplishment of the Great commission. We thank God for the phase one successful training in Noni Field that took place on 24th and 25th of October. We also celebrate a team of pastors that Pastor Ankiambom is working with them to building a discipleship church culture.

Pastor Tina Leonard has been intentional with his church in building a church discipleship culture. We thank God for the team of guys through this effort God has raised labourers to champion these within the church.

A Personal Thank You

I do thank God for all the NCDM labourers at their different corners that on daily bases willingly and wholeheartedly have been serving as workers in the harvest field. Whether as a prayer warrior or financially supporting; you have been the hands and feet of Jesus this year.

NCDM Alongsider:

We want to celebrate the family of Nancy and David McCord: Your prayers and generosity have fuelled miraculously the transformation we have experienced across our community and beyond 2025 year. May our good Lord richly bless you.
